LEARN ENGLISH THIS SUMMER IN NEW YORK CITY

Léman Summer English Academy
August 12 through August 25, 2019
English Instruction in a Dynamic, Welcoming NYC Community

The Léman Summer English Academy provides students with an engaging, hands-on experience designed to develop English language proficiency by participating in activities that use New York City as a learning lab. Located in the heart of Manhattan, this unique urban boarding environment provides students with opportunities to take advantage of the city’s tremendous cultural experiences while Léman Manhattan Preparatory School’s expert English language faculty help students grow their language skills in a collaborative environment that prepares them for success in the coming academic year.
Daily schedule will include four hours of classroom instruction followed by authentic and meaningful afternoon and evening activities.
